

# LAUNCHING LAW ENFORCEMENT AND ANTI-CORRUPTION REFORMS

## REFORMS

The most noticeable progress in anti-corruption reforms was achieved due to VLAP implementation

## WHAT DOES IT MEAN IN PRACTICE?

Three newly established **anti-corruption bodies** have been launched

**National Anti-Corruption Bureau (NABU)** has already arrested **220 mln UAH**

Currently NABU and specialized anti-corruption prosecution office investigate **148 criminal proceedings**

NABU **arrested 10 people** suspected in corrupt schemes of the gas resale which caused 3 bln UAH loss

The system of public e-procurement ProZorro saved **1.67 billion UAH** in 16 months

Newly established **Police Patrol** replaced one of the most corrupt services State Automobile Inspect.

# UKRAINE

safe inside and  
secure on the  
borders

## HOW DOES UKRAINE BECOME MORE SAFE COUNTRY ON THE WAY TO VISA LIBERALIZATION?

# STRENGTHENING INTEGRATED BORDER MANAGEMENT

## SAFE BORDERS

Irregular migrants, smugglers and offenders are stopped at the EU border and readmitted from the EU to Ukraine

## WHAT DOES IT MEAN IN PRACTICE?

Ukraine with EU member states has joint **border patrolling**

**Border checks** are for every passenger through **Interpol** and fingerprint databases

Entrance and exit to temporarily uncontrolled territory is allowed after **previous checking**

Ukraine effectively **readmitted 3000 migrants** from the EU

An acceptance rate of readmission applications by Ukraine is **over 90%**

# START OF ISSUING THE NEW BIOMETRIC PASSPORTS

## SAFE PASSPORTS

Biometrical passport is a new instrument for prevention organized crime infiltration to EU member states

## WHY DO NEW PASSPORTS PROTECT THE EU FROM THE INFUX OF IRREGULAR MIGRANTS?

Each Ukrainian who wants to travel without visa needs to obtain a **biometric passport** (BP)

BP complies with the **ICAO standards** and is protected from fraud related to the name change

BP is **inaccessible** for persons with restrictions on leaving the territory of Ukraine

Lost and stolen Ukrainian passports are reported to **Interpol database** on the **daily basis**
